

POWYS & MARCHES STONE SUPPLIES

LEADING SUPPLIERS OF **NATURAL STONE PRODUCTS** FOR YOUR GARDEN AND TO THE TRADE

Powys & Marches Stone Supplies Ltd., is a family business established in 1990. Based at Four Crosses on the Shropshire and Mid-Wales border, we are in the heart of slate and granite country. However, to offer the widest range for our customers nationally, we carefully choose Powys Stone products from selected quarries all over the UK and Europe. If you require stone we haven't included in the brochure, we will locate it and deliver it to your door!

DECORATIVE BARK

In the last year this range of products has really grown due to demand.

Our composts have been a great success and the addition of Decorative Bark, Railway Sleepers and Weed Control Membrane, makes Powys & Marches Stone Supplies the one stop shop for Gardeners and Landscapers.

For easy handling we supply Decorative Bark in BULK BAGS

Keltons Top Soil. Ideal for borders, rockeries, new gardens, lightening soil and top dressing.

We supply Compost & Top Soil in 50 litre bags (70 per pallet).

Manor Farm Compost is multi-purpose and ideal for borders and many potting and planting jobs.

★ This year we have introduced BRAND NEW additions to our range of products. Selected and graded to meet the requirements of a very discerning market place, these unique aggregates bring a subtlety and individuality to the modern landscape specialist.

SHARP SAND

For easy handling we supply our building range in MAXI PACKS (65 per pallet) and in BULK BAGS

SEASONAL RANGE - ■ SAND ■ DE-ICING SALT ■ LOGS

We might be going through a period of global warming, but every winter we are caught out 'unexpectedly' by icy steps and driveways. Our de-icing salt is always bagged-up and ready for your last minute call!

If you haven't had time to saw up those logs, we can save you the bother, just order a bulk bag of ready sawed and split logs, dry and ready to crackle away in your hearth.

Along with play pit sand for the summer, Powys & Marches Stones is the supplier for ALL seasons.

PLAY PIT SAND

SALT

LOGS

For easy handling we supply our seasonal products in MAXI PACKS (65 per pallet) and in BULK BAGS

LANDSCAPING - RIVEN PAVING

Our range of Riven Paving gives your garden that natural look. Sensible sizes are convenient for handling and laying plus careful manufacture means you'll have a perfect uniform result.

Fantastic value for money and ideal for Pathways, Patios, Garden Features, Garden Shed aprons and surrounds plus many other applications.

DARK BUFF

GREY

For easy handling we supply Riven Paving on a pallet (50 pcs.)

AUTUMN BROWN GREEN COBBLES - 200MM X 100MM

Autumn brown green cobbles 200x100mm strike a traditional tone. They are hard wearing and durable product also suitable for driving on, making the ideal choice for a cobbled courtyard or as an edging material.

GREY LIMESTONE EDGING

Grey limestone edgings make a good choice in modern and more contemporary areas.

Pennant random walling is such a beautiful material for building features or garden walls.

LANDSCAPING - ■ STANDING STONES & DRILLED BOULDERS

Standing Stones and Boulders are perfect examples of imposing garden features. We have a large selection (G) to choose from. Here we show just a few of our unique designs:

- A, C, D, G - Monoliths
- B - Drilled Monolith
- E - Drilled Slate Stack
- F - Drilled Boulders

At Powys we use diamond cutting to model unique standing stones.
